

# Senior Shopping Special Hours In Santa Cruz County

- **Costco:** 220 Sylvania Ave.
  - ✓ **8 a.m. to 9 a.m. Tuesday and Thursdays; seniors**

- **Second Harvest Foodbank**

If you or someone you know needs food, they should call the **Community Food Hotline at (831) 662-0991** to find out where they can drive by to pick up food, or how to access meal/food delivery.

During "Stay At Home", the mass food distribution at the County Fair Grounds will be held every Friday and has income guidelines: \$29,350 for a single person and \$39,750 for a household of two; distribution is typically an hour+ wait in your car. The groceries and fresh produce are loaded into your car without any interaction. At least one of our members used this distribution reporting that the food was excellent. However, you get what they have assembled, i.e., there's no selection of food.
